Inspire
School of Arts & Sciences
Lifelong Learning...Inspired!

A Message from the Principal:

Inspire provides a unique learning environment where students are challenged to be creators and innovators, to take the knowledge they acquire across disciplines and apply it in ways that bring beauty and solutions to the world around them. We believe in the unlimited potential of young people and invite you to join us in nurturing and developing that potential.

Inspire

School of Arts & Sciences

- A college-prep, public charter high school with a focus on visual and performing arts, science and engineering.
- Programs include Honors, Advanced Placement, Engineering and Arts.
- Small learning environment where all students are known and valued.
- Eight period, A/B class schedule allows students to balance core academic curriculum with a variety of elective options.
- Performing Arts program features over 10 productions a year.

"At Inspire I am surrounded by students and adults who care about my education and my life." - JE

INSPIRE'S MISSION is to provide high levels of learning and support within a personalized environment that allows students to explore their interests and develop their talents.
