

Musical Theatre Major Course Requirements

Musical Theatre

Open the curtain and experience the excitement, the challenges, and the fulfillment of becoming a character in the world of the musical. Inspire's Musical Theatre Major will equip you to tell the story through song and movement in a variety of styles. The classes in singing, acting and dance are designed to give you the insight, training and confidence you need to meet the demands of musical theatre performance. Your work in this major will provide you with many opportunities for growth, as well as to become more proficient in your strengths, in a strongly supportive atmosphere. You will have many opportunities to perform in Inspire shows and concerts, in-class workshops, and at community events.
