

Social Media Permission Form
2018-2019 School Year

Inspire School of Arts & Sciences uses social media to share images and video of events, performances, information and student work with our students, families and members of the Inspire community. Social media platforms include Facebook, Instagram, YouTube, Twitter and the Inspire website. Posted images rarely have students identified by name.

The purpose of this form is to request permission to use your student's image on our social media platforms. Please indicate below your approval.

YES. My student can be included in social media posts.

NO. My student can NOT be included in social media posts.

Please note, Inspire has no control over student accounts or their content.
