

Parent Portal Directions

The Aeries Parent Portal allows you to track your student's grades, attendance, course history, discipline, demographic and health data. While it is not a real-time grade tracker, it is a helpful tool for parents to keep up with their students' academic life.

An Aeries Parent Portal Account has automatically been created for the primary parent email address listed for your student, as well as any email addresses associated with Contacts who have been granted Portal access.

To gain access to your account for the first time, follow these steps:

1. Go to <https://inspire.aeries.net>
2. Click on the "Parent / Student Portal" option
3. Click on "Forgot Password?" linked just below the red "Next" button
4. Enter the email address associated with your student's account
 - o Follow the instructions on screen to prompt a password reset email
5. Check your email for the Password Reset Email from Aeries
 - o This email will come from AeriesReports@inspirechico.org
 - o If you don't see it in your inbox, make sure to check your Spam folder as well
6. Follow the link in the email to gain access to your Parent Portal Account

If you need help navigating your Parent Portal Account, please refer first to this Aeries Support article:
