Outside Competition- **Student-athletes may NOT compete in an outside program of the same sport** during their high school season of competition for that sport. (ie. A golfer may not play any contests, contests means games or scrimmages, on another outside organized golf team, during their high school season of golf.) For full text of the rule see [www.nscif.org](http://www.nscif.org) and click on By-laws and Constitution in the link column on the left side of the home page (Rule 600).
